Deoghar School Olympic Games Champion

Fame Beyond Home

Madhusthali Vidyapeeth's Taekwondo Team made a remarkable impression at the 3rd Deoghar Schools Olympic Games Competition, securing 10 medals, including 2 gold, 3 silver, and 5 bronze medals. The competition, held from 5th to 7th, brought together talented young athletes from various schools and our team's participation and achievements have set a benchmark of excellence for future events. The team's success was celebrated with a felicitation ceremony on 16th December, 2024, where the winners were awarded by our respected Principal Sir during the morning assembly. The winners included Master Abhay Kumar and Master Ayush Verma (Gold), Master Manim Lakra, Miss Ishika Bathwal, and Miss Pallvi Bathwal (Silver), and Master Raman Roy, Master Rohit Raj, Master Ashish Kisku, Miss Adya Ray, and Miss Vidhi Khandelwal (Bronze). The team's achievement is a testament to their hard work, dedication, parental support, and teamwork under the guidance of their coach, Mr. Azad Ansari. The school remains committed to nurturing talent and fostering a culture of sportsmanship. Congratulations to the team and their coach on this outstanding achievement!

International Dimension In School

In collaboration with our partner school in Brazil, students of Std. IX and X at Madhusthali Vidyapeeth presented an engaging and informative PowerPoint presentation on the Amazon Rainforest. This presentation aimed to educate fellow students about the world's largest tropical rainforest, its unique features, and the importance of conservation. The students covered various aspects of the Amazon Rainforest, including its location and geography, biodiversity, indigenous communities, deforestation, and conservation. The presentation showcased the incredible array of plant and animal species found in the Amazon Rainforest, highlighting the rich cultural heritage of indigenous communities. The students emphasized the importance of conservation efforts and sustainable practices, raising awareness about the pressing issue of deforestation and its consequences. The presentation concluded with interesting facts about the Amazon Rainforest, leaving a lasting impact on the audience. As part of this collaborative project, the PowerPoint presentation was forwarded to our partner school in Brazil. They will be reciprocating with a presentation on the Climatic Conditions in India, fostering a deeper understanding of global geography and environmental issues.

Summit of School Principals

Madhusthali Vidyapeeth's Principal Sir and Headmaster attended the "Summit of School Principals" on 12th December, 2024, at Bokaro, organized by ICTRC in collaboration with Holy Cross School Chandankiyari. The summit aimed to revisit school discipline with a comprehensive approach, emphasizing prevention, fairness, and restorative justice. The five-hour session provided valuable insights and strategies for creating supportive school environments that promote student growth, safety and academic success. Key takeaways from the summit included addressing disproportionate discipline for marginalized groups, reducing reliance on suspensions and expulsions, and promoting teacher consistency and psychological safety. The school extends its gratitude to the Management for providing the opportunity to attend the workshop, which has broadened their perspective and expertise in the field.

Diwali Reels Making Competition Felicitation

Madhusthali Vidyapeeth felicitated the winners of the Diwali Competition during the morning assembly. The competition, organized for students from three units, encouraged participants to decorate their houses and share the festive spirit. The top three winners, along with consolation prize winners, were honored by the Principal Sir. The winners were selected based on the maximum likes received for their decorations. The school extends its gratitude to the Management, Principals and Staff of MITT and MIPS, parents and students for their support and enthusiasm in making the event a success..

Annual Sports Day

Madhusthali Vidyapeeth's Annual Sports Day was held on 20th December, 2024, at the school ground, with a record-breaking attendance of parents and well-wishers. The event commenced with a parade, torch relay, flag hoisting and oath-taking ceremony. The chief guest, Ms. Sharmilee Bandopadhyay, Principal of MCKV, graced the occasion with her presence. The chief guest inspired the students with a motivational speech, emphasizing the importance of sports in developing discipline and teamwork. The sports day featured various track and field events, recreational games for pre-primary students, teachers, parents and staff. The four houses - Aravalli, Nilgiri, Shivalik, and Vindhya - competed against each other. Shivalik House emerged as the overall champion, accumulating the highest points across all events. Individual champions were declared in each event and prizes were distributed by the chief guest, chairman and school dignitaries. The event was a resounding success.

Storytelling Workshop

Madhusthali Vidyapeeth conducted a Storytelling Workshop to encourage students to explore their creativity, develop communication skills and build confidence. The workshop, led by Ms. Priyanka Chatterjee, International Story Consultant and Award-Winning Storyteller, was divided into four sessions for students from Nursery to Class VI. Through interactive sessions, students learned about the art of storytelling, its importance. The sessions included storytelling, action songs and interactive activities, such as drawing and role-playing. Students from different classes participated enthusiastically, developing their skills and confidence in storytelling. The workshop concluded with an interactive session with teachers, focusing on innovative teaching methods, including experiential learning, blended learning, and using storyboards. The workshop was a huge success, providing students and teachers with a unique opportunity to develop their creativity, communication skills and confidence.

Christmas Celebration

Madhusthali Vidyapeeth celebrated Christmas on 21st December, 2024, with a joyous and festive event. The celebration brought together students, teachers, and admins with the Campus Heads, fostering a sense of community and camaraderie. The program began with a welcome speech by the head boy and head girl, setting the tone for the celebration. The school choir, campus heads and music teachers sang a selection of Christmas carols, including "Jingle Bells" and "Feliz Navidad". Students from junior and middle section classes performed dances and skits based on the theme of Christmas, highlighting the importance of kindness and generosity during the holiday season. The performances were a wonderful showcase of the students' talents. The highlight of the event was a special appearance by Santa Claus, who distributed sweets to the students and urged them to dance and sing along. The celebration concluded with the distribution of Christmas cake and exhortation by the Education Officer and Headmaster.

Staff Picnic

Madhusthali Vidyapeeth's staff picnic was a fun-filled day that brought together staff members, providing an opportunity to relax and have fun. On 22nd December, 2024, the staff gathered for a day of adventure, starting with a warm breakfast, followed by exploration of the nearby stream and waterfalls, sightseeing and photography. The day was filled with laughter and joy as staff members sang and danced together, enjoying sumptuous meals amidst nature. The event concluded with a token of appreciation gifted to the staff by the Campus Heads. The school extends its gratitude to the Management, coordinators, teachers, admin staff and the School Canteen Vendor for their dedication and support in making the event a success

Sudoku

| | | | | | | | | |
|---|---|---|---|---|---|---|---|---|
| | | | 4 | | 6 | 1 | 7 | |
| | 6 | 2 | | 7 | 1 | | | |
| | 7 | | | | | | 3 | 6 |
| 5 | | 8 | | | | 3 | | |
| | | | 5 | 3 | 8 | 7 | 2 | 1 |

| | 5 | | 8 | 9 | | 6 | | 7 |
| | | 3 | 2 | | 7 | | 8 | |
| | 8 | | | | 4 | | | |

Sudoku Rules:

Objective: The goal of Sudoku is to fill a 9x9 grid with digits so that each column, each row, and each of the nine 3x3 subgrids that compose the grid (also called "blocks" or "regions") contains all of the digits from 1 to 9.

Rules:

1. Each row must contain the numbers 1 to 9 without repetitions.
2. Each column must contain the numbers 1 to 9 without repetitions.
3. Each of the nine 3x3 subgrids must contain the numbers 1 to 9 without repetitions.

Answer will be given in the next edition.
