MADHUSTHALI
VIDYAPEETH

Editorial : October, 2024 . Issue No - 06/2024

Words from the Editorial Desk

Goddess Durga's power is the power to destroy evil and bring goodness into our lives. Although we do not see a man helping Durga, she is shown to be able to use their power from time to time. Strength and Courage: Durga is often depicted as a fierce warrior who defeated the demon Mahishasura. Women can connect with it by finding inner strength and courage to face life's challenges and overcome obstacles.

Durga's image can serve as a reminder that women have the ability to face and overcome obstacles. In today's times, women have to face so many difficulties that there are very few chances for anyone to help them. Maa Durga teaches us this and makes us realize that at times we have to stand on our own; we women can also fight.

If any atrocities are taking place, then she can do it without thinking that anyone will come to help, like Maa Durga, who, being a woman, fought against an evil, and she also won the war, which is the best example or inspiration for all the women that women have a lot of power to face any difficulty.

Ms. Vinita Bose,
Department of English,
Madhusthali Vidyapeeth.

In the heart of Jharkhand, where dreams shine,
Madhusthali School stands, a beacon that shines.
In 1997, our story began, a vision so grand,
Our beloved founder built this land.
With sprawling ground, where laughter resounds,
From taekwondo kicks to basketball bounds,
With fields so vast and skies so wide,
We play and learn with endless pride.
Led by our chairman sir, grounded and kind,
A leader so rare, with a caring mind.
With the best teachers and studies that soar,
In this nurturing place, I forever adore.
Proudly we celebrate, the third best in Jharkhand,
Madhusthali Vidyapeeth, a place we call home.
In extracurriculars, we shine and we gleam,
Winning gold at the national levels, living the dream.
Eleven years I've grown seeing the change,
From past to present, in ways so strange.
Amidst lush greenery, our spirit finds peace,
In this tranquil setting, our worries all cease.
So here I stand, with pride in my heart,
A Madhusthalian forever, from the very start.
I am proud, with all I've seen and done,
A true Madhusthalian, second to none.

Amina Iram Ali,
Class – X (A)
Madhusthali Vidyapeeth

Gandhi Jayanti and Mahalaya Celebration

Special Assembly

Our school conducted a special assembly on 1st October 2024, to commemorate Mahatma Gandhi's 155th birth anniversary and usher in the Durga Puja celebrations. The event featured beautifully choreographed devotional dances, an enactment of Gandhi's life, and soul-stirring Bengali devotional songs, showcasing our students' talents. The assembly held great spiritual significance, marking the transition into Debi Paksha, a period honoring ancestral worship (Pitri Paksha) and anticipating Goddess Durga's arrival. Students delivered inspiring speeches highlighting Gandhi's role in India's independence and his timeless teachings of non-violence, truth and peace. Notably, 2nd October also marks the birth anniversary of India's former Prime Minister, Lal Bahadur Shastri, celebrated for his honesty and integrity.

Workshop on Effective Teaching

A two-day workshop on "Effective Teaching-Learning Process and Active Learning" was inaugurated on 2nd October 2024 under the expert guidance of Mrs. Sheela Raghavan. This professional development initiative was designed to equip educators with innovative pedagogical approaches that foster a dynamic and engaging classroom environment. By transitioning from traditional, teacher-centered methods to student-centered learning, the workshop aimed to empower learners to actively participate in their own educational journey. Key takeaways from the workshop included strategies for enhancing lesson planning through the application of Bloom's Taxonomy. Interactive activities such as Tic-tac-toe, Graffiti Technique, and Jigsaw Strategy were introduced to promote collaborative learning and critical thinking. These techniques encourage students to work together, share ideas, and develop a deeper understanding of the subject matter. We extend our sincere gratitude to the management for their unwavering support in providing educators with this valuable opportunity. By investing in professional development, the institution demonstrates its commitment to fostering a culture of excellence and empowering educators to deliver dynamic and effective teaching.

Felicitation Programme

Achievements

Madhusthali Vidyapeeth celebrated a major achievement with our honourable Chairman, Shri Kishan Kumar Kejriwal, being honoured for the school's ranking as 1st in Deoghar and 3rd in Jharkhand, according to Education World's School Rankings 2024-25. During the morning assembly on 23rd October 2024 honourable Chairman congratulated and appreciated the team effort and support of the teaching faculty, administrators, parents, and students. He encouraged everyone to strive for excellence, preparing students for the future and elevating the school to new heights. This outstanding achievement is a testament to the community's hard work and perseverance

Inter House Basketball Match

Madhusthali Vidyapeeth hosted an electrifying Inter-House Basketball tournament, featuring spirited competition among four houses. The event showcased remarkable talent, teamwork and determination. Vindhya House emerged victorious in the girls' category, defeating Nilgiri House, while Nilgiri House clinched the championship in the boys' category, overcoming Vindhya House. Principal Sir and Education Officer Sir presented rotational trophies to the winning teams, acknowledging their athletic prowess and sportsmanship. The tournament highlighted Madhusthali Vidyapeeth's commitment to fostering teamwork, competition and excellence among its students.

National Unity Day

Madhusthali Vidyapeeth conducted a special morning assembly on 29th October 2024 to promote unity, cultural awareness and festive spirit. The assembly featured speeches on different Indian languages, prayer songs, a thought-provoking skit, a pledge ceremony, and felicitations of National Taekwondo winners. Education Officer Sir shared a motivational anecdote, encouraging students and teachers to seek divine blessings during the festive season.

Staff Recruitment

Adorned with the warmth of fresh faces and exceptional talent joining our esteemed faculty, with great pleasure, we extend our heartfelt welcomes to our new pillar of knowledge and expertise. Let us embrace his unique contributions as we collectively navigate the sea of knowledge.

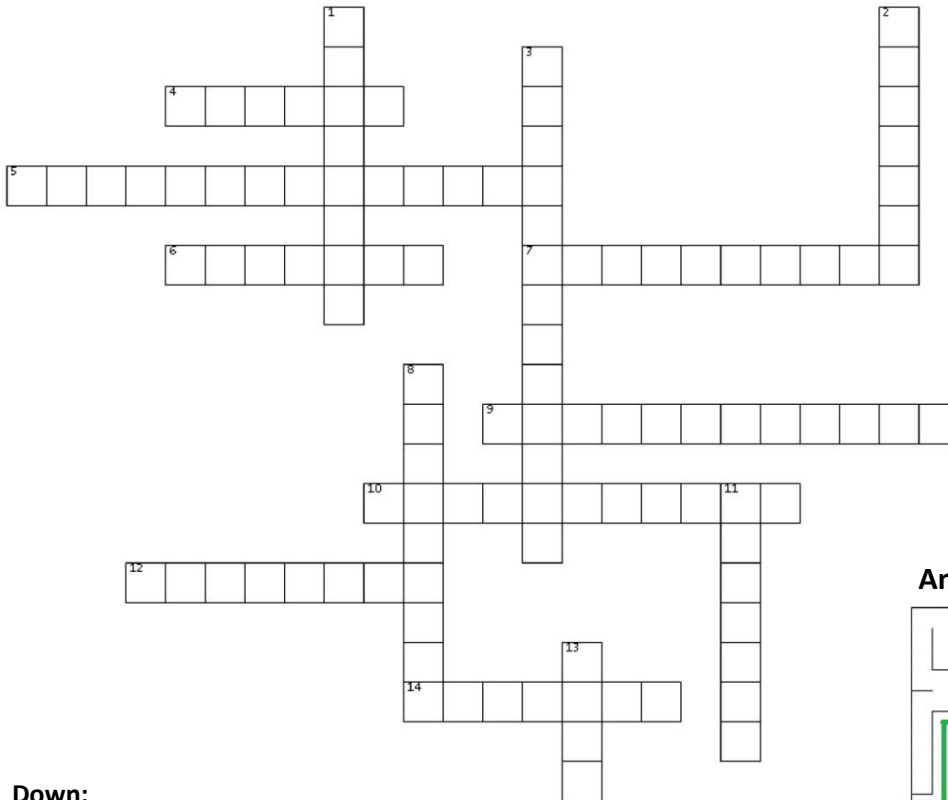

Mr. Rajib Roson Ghoshal
Dept. Of History

Test Your General Science Knowledge

Use the clues to fill in the words above.

Words can go across or down.

Letters are shared when the words intersect.

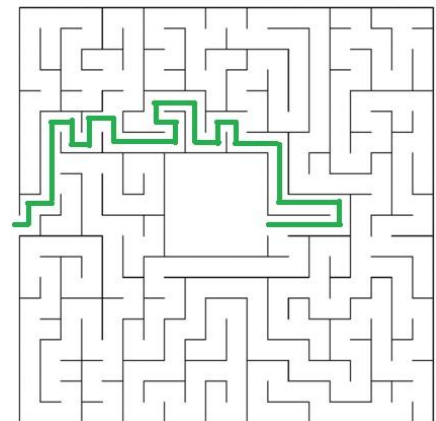

Across:

4. A natural and physical substance.
5. The process by which plants make their own food.
6. The study of the Earth's physical features.
7. A sudden and violent shaking of the ground.
9. The layer of gas that surrounds Earth.
10. The study of the weather.
12. A substance that speeds up a chemical reaction.
14. The center of an atom.

Down:

1. A negatively charged particle.
2. A simple sugar made by plants.
3. A group of stars that form a pattern.
8. The process of breaking down food.
11. The force that pulls objects towards Earth.
13. The basic unit of life.

Answer of the previous puzzle:

Answer of this criss-cross will be given in the next edition.
